

氷山モデルシート

The diagram illustrates the Iceberg Model. It features a large, irregular iceberg shape with a jagged, light gray outline. The top portion of the iceberg is above a horizontal line, while the larger, submerged portion is below it. The top section is a rounded rectangle containing the text "課題となっている行動". The submerged portion is divided into two vertical columns, each with a rounded top and containing the text "本人の特性". Below these columns is a blue downward-pointing arrow containing the text "必要なサポート". At the very bottom is a large, empty rounded rectangle.
