## Cough etiquette including mask wearing

In addition to taking infection prevention measures such as hand washing and effective ventilation, please be sure to wear a mask if you have a cough or other symptoms.

Please refer to the Osaka Prefectural Government website for information on mask use.

## When the air is dry, humidification is also important!

Keep an appropriate humidity level (at least 40%)!

Wear a mask to  
humidify your throat.

Use a humidifier.

Dry laundry indoors.
