Hello. Nice to meet you, Mr. Carter. I'm going to talk about our school.

Our school is the oldest school in this city. This year is twenty-twenty. Our school is seventy years old now. There are about five hundred students in our school.

We have many clubs. We will be happy if you come and see clubs after school. There are many students in the baseball, basketball, art and music clubs. The music club is the biggest club of the four clubs.

Our school is famous for two festivals. Many people in this city come to our school for them.

The sports festival is in May, and the music festival is in October. It is June now and we are practicing for the festival in October. I hope you will enjoy it. Thank you.
