The diagram shows a large grid for technical drawing, divided into three main sections by a vertical line and a horizontal line. The top-left section is labeled '平面図' (Plan View) and contains a '基点' (Reference Point) marker. The bottom-left section is labeled '正面図' (Front View) and contains a '基点' marker. The bottom-right section is labeled '右側面図' (Right Side View) and contains a '基点' marker. The grid is composed of small squares, with the labels and markers placed at the intersections of the grid lines.
