

— ONLINE SEMINAR — WINNING STRATEGIES FOR SECURING A CAREER IN JAPAN

FOR INTERNATIONAL STUDENTS

This seminar is designed for enrolled international students who aspire to build their careers in Japan after graduation. Participants will gain essential insights into the Japanese job-hunting system, the importance of language skills. We will openly discuss both the advantages and challenges that international students face, as well as the real expectations Japanese companies hold. Practical strategies will be shared on how to stand out among peers, build networks, and maximize university resources to confidently secure employment in Japan.
