

Community Development Strategies and Direction of Efforts

We present five urban development strategies and their direction from a broader perspective. Various entities will work together to promote concrete measures, fully drawing out vitality of the private sector.

Strategy 1

Forming a hub area to drive growth and development

- 1) Hub areas of global presence
- 2) Core hub areas of Osaka
- 3) Industrial hubs and agglomeration areas to promote economic growth

Strategy 2

Leveraging Osaka's unique charms to create the most livable city in ease of living

- 1) Create hubs around stations and attractive living areas
- 2) Restore suburban residential areas for various generations to live, work, and enjoy cultural exchange
- 3) Develop communities utilizing the rich nature

Strategy 3

Revitalizing the region by utilizing natural geographical features (the sea, rivers, mountains), farm and diverse local resources

- 1) Urban Development in the Greater Osaka Bay Area
- 2) Creating an attractive town by utilizing river space
- 3) Town development utilizing the natural resources of the surrounding mountains
- 4) Formation of attractive urban spaces utilizing various local resources

Strategy 4

Promoting Exchange of People, Things, and Information

- 1) Urban development linked to transportation infrastructure
- 2) Urban planning to create rich urban spaces

Strategy 5

Realizing a Safe, Secure and Green Society

- 1) Creating a safe and secure community
- 2) Developing communities for a Green Society

Promoting the Grand Design

- (1) Roles and promotion systems of various institutions involved in community development
 - Roles of the prefectural government, municipalities, private sector, and the grand design promotion system
- (2) Efforts to promote the Grand Design
 - Initiatives to promote sharing and participation of various institutions and build momentum for community development
 - Establishment of an environment to promote private-sector-led community development
 - Promotion of municipal and wide-area cooperation in community development
 - Initiatives to foster community development
 - Grand Design Progress Management
