(1) Over age 15.

(2) Did not graduate from junior high school or graduated from junior high school without receiving a substantially sufficient education.

(3) Resides in Osaka Prefecture

Note: If you did not graduate from elementary school or do not live in Osaka Prefecture, please consult with a municipal board of education that has night school(s) or a school that offers night school programs.

4. Enrollment month

Enrollment is in April every year.

5. School hours

Classes are held from Monday to Friday. School starts at around 5 pm and ends at around 9 pm. (Some schools have different starting/ending times.)

6. Duration of study at night school

The duration of the study is 3 years.

7. Application period, venue and time

The application period is from December 1st of the previous year you wish to be enrolled until April 30th of the year you wish to be enrolled. Application is not accepted on Saturdays, Sundays and national holidays. Please submit your application to either of the following venues:

- A municipal board of education that has night school(s)
Open weekdays from 10 am to 4 pm (closed on Saturdays, Sundays, and national holidays)
- A school that offers night school programs
Open weekdays from 4 pm to 7 pm (closed on Saturdays, Sundays, and national holidays)

8. Contact Information (place where you submit your application)

Please consult with either a municipal board of education that has night school(s) or a school that offers night school programs. Then, submit your application and the required documents.

9. Application requirements

- ① Application form for admission approval
This form can be obtained at a municipal board of education that has night school(s) or a school that offers night school programs
- ② Applicant's *Juminhyo* (official residence registration document)
This document can be obtained at the applicant's local municipal office.
- ③ A photocopy of the junior high school diploma for those who graduated from junior high school.
If you don't have a diploma, consult with a municipal board of education that has night school(s) or a school that offers night school programs.

10. Admission approval

The municipal board of education that has night school(s) will determine the applicant's admission status.

11. If your municipality does not have night school(s)

If a successful applicant is admitted to a night school, the board of education that has the night school will notify his/her local board of education. If he/she graduates from night school, leaves night school before graduating, or moves to another municipality, the board of education that has the night school will notify his/her local board of education as well.
